8th Annual Festival of the Trees
Christmas in July - Dinner & Auction

JULY 20

Each year, volunteers from our community design holiday creations and use them for holiday decorations in either their homes or offices. Some trees come with goodies such as gift certificates, sports tickets, etc.

The silent auction offers hundreds of items in all price ranges and run the gamut from gift certificates, season passes, art and fun family experiences!

Every penny raised helps Blessing Baskets with their missions.
